

Kentucky Certified Professional Environmental Educators

This list can be used to directly contact Certified Professional Environmental Educators in Kentucky. Educators are based in the county listed and often work in the surrounding counties.

Individuals labeled “Master” have attained Master Environmental Educator status, which requires at least six years of completing continuing education requirements.

If you are not sure who to contact, please contact Wesley Bullock of the Kentucky Environmental Education Council (KEEC, the certifying organization), at wesley.bullock@ky.gov or (502) 564-5937.

If you are interested in becoming a Certified Professional Environmental Educator in Kentucky, or just want to learn more about the program offered by KEEC, please visit keec.ky.gov/EECertification/Pages/default.aspx.
