

SCHEDULE OF UPCOMING MEETINGS

Recommendation

That the Kentucky Environmental Education Council meet on the following dates in 2018:

- Wednesday, February 7, 2018
- Wednesday, May 2, 2018
- Tuesday-Wednesday, July 31-August 1, 2018
- Wednesday, October 24, 2018

Rationale

- KEEC staff general prefer meetings at least a month after the close of the quarter in order to have enough time to receive, process, and report on budget numbers from the quarter.
- Meeting in the last week of April, the day before the Kentucky Green and Healthy Schools and KY NEED Youth Summit and Awards Luncheon, will be increasingly difficult as the Summit has moved from Frankfort to Lexington.
- Meeting in early November will be difficult in 2018. The start of the 2018-19 Professional Environmental Educator Certification course will most likely be on the first weekend of November to avoid the Kentucky Science Teachers Association Conference on the second weekend of November. A late October date will avoid those conflicts and also avoid the NAAEE Conference, which is October 9-13, 2018. However, all Council Members' terms expire on October 5, 2018, so it may make sense to schedule the meeting at a different time.
