

**ACTION: SCHEDULE OF UPCOMING  
MEETINGS**

**KEEC Council Meeting  
Agenda Item D-1  
May 31, 2018**

---

**Recommendation**

- That the Kentucky Environmental Education Council hold one full-day council retreat on August 1 and one full-day retreat on November 7

**Rationale**

- New Council Members may be appointed in October, so the meeting after that will be a good time to plan for the future.
- Moving the Council Meeting to November will give more time for appointments to be made before the meeting.
- PEEC Workshop 1, usually held in November, has been moved into October because of site availability and the fact that the NAAEE Conference is earlier in October this year.
- The August board meeting can be a summary of the past year and a half under Executive Director Billy Bennett.
- This will replace the two-day board retreat in July/August.
