STAFF**

**KEEC Council Meeting
Agenda Item B-2
July 31, 2018**

Recommendation

That the Kentucky Environmental Education Council adopt resolutions, based on the attached example, thanking the following Education and Workforce Development Cabinet staff for their assistance to the council:

- David Morris
- Lori Miller
- Shannon Crane
- Jerry Roberts
- Rebecca Hopper

Rationale

- Education and Workforce Development Cabinet fiscal staff have been extremely helpful to staff of the Kentucky Environmental Education Council over the past several years in all manner of financial operations.
- Their assistance has become even more valuable as KEEC has received an increasing amount of outside funding requiring additional financial management.
